C. No. 3910 A. From the P.D.B., Villupuram, C6 No. 248 D.B./37, d/2-8-37.

Subject:--Teaching of Hindi in elementary schools.

The P.D.B., Villupuram, requests sanction for incurring expenditure from the Elementary Education Fund on the teaching of "Hindi" in higher elementary schools. Under the rules framed under the Madras Elementary Education Act, compulsory subjects in elementary schools include a vernacular language. This is ordinarily the mother-tongue of the pupils. The rules also provide for the teaching of English or another vernacular of the Presidency as an optional subject. Hindi not being a vernacular of the Presidency, requests from local bodies for permission to employ Hindi teachers in elementary schools have till now been turned down. Please see the G.O. put up below.

The question has been ~~passed~~ raised separately whether Hindi or Hindustani may not be taught in Forms I to III of Secondary schools. Standards VI to VIII of higher elementary schools correspond to some extent to Forms I to III of secondary schools. It is for consideration whether permission to teach Hindi in these standards may be accorded. The D.P.I. may perhaps be consulted u.o.
